

Manhattan Dermatology Specialists

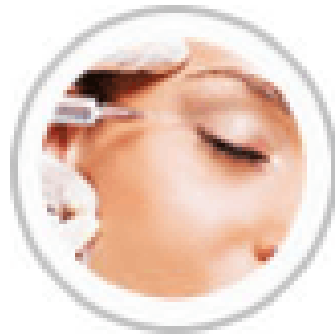

Manhattan Dermatology is one of New York's top rated Dermatology Practices.

Our board-certified dermatologists at Manhattan Dermatology Specialists make a great team of best-known experts in medical skincare in NYC. Our clinic specializes in Mohs skin cancer surgery, treatment of a full range of dermatologic ailments including acne, rosacea, eczema, psoriasis and warts. We provide New York City patients with a wide variety of cosmetic procedures including Botox, dermal filler, laser skin tightening, acne scar treatment and stretch mark removal.

As a renowned NYC dermatologist, Dr. Bard provides highly personalized and comprehensive care using the latest techniques and technologies available in USA. She presented at several national conferences and has written numerous book chapters and articles. Her work was published in many prominent peer-reviewed journals including **The Journal of the American Academy of Dermatology, Journal of Investigative Dermatology, Pediatric Dermatology and Archives of Dermatology.**
