INTEGRATIVE & HOLISTIC HEALTH

The best way to look healthy is to be healthy. Holistic medicine takes your entire body into account while helping you achieve an integrated sense of well-being. The health you feel inside bubbles up to the surface to make your eyes sparkle, your hair shine and your skin glow. Dr. Natalya Fazylova leads a team of NYC integrative health experts to evaluate your needs and create a personalized treatment plan, whether you suffer from chronic fatigue, hormone imbalance, sexual dysfunction or weight issues.

AESTHETIC & ANTI-AGING TREATMENTS

Everyone's skin needs pampering from time to time. As you age, your skin naturally requires more care. Visit the Radiance Spa in NYC for skin rejuvenation techniques that celebrities throughout Manhattan rely on:

- Dermaplaning
- Microdermabrasion
- European & Oxygen facials
- Exfoliation
- Microneedling
- Platelet-rich plasma (PRP) Vampire facials

HOLISTIC HEALTH MEDICINE & WELLNESS

We offer an oasis for beauty, wellness and holistic healing in the midst of Manhattan. We strive to deliver a holistic, individualized and compassionate care to help you look and feel your best.

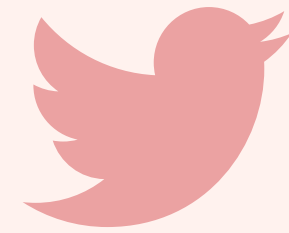

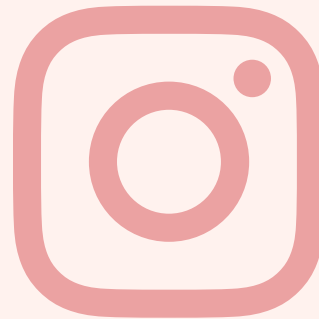

Anti-Aging procedures such as Platelet Rich Plasma (PRP) for hair restoration and skin rejuvenation, injectable dermal fillers for facial contouring, lip enhancement and dynamic wrinkle correction.

Our state of the art and most innovative services combine skin and body care. The services include advanced laser treatments for hair removal, skin pigmentation, wrinkle reduction, acne scar reductions, tattoo removal and vein removal.

Wellness services include unique natural weight loss program, nutritional counseling and hormonal imbalance treatment. Whether through aesthetic services, laser treatments or assistance with nutrition and weight.
