OB-GYNs located in Brooklyn, Queens, Manhattan, NYC

We Are a Comprehensive Women`s Health Care Facility. The highly skilled and trained professionals at Professional Gynecological Services specialize in providing **complete gynecological care** and New York abortion clinic services in a comfortable, private and supportive environment.

The primary goal of the service is to provide safe healthcare and privacy during stressful times. The purposes are to educate, inform and **provide clinical and emotional security**. The clinic is conveniently located in the heart of Brooklyn with easy access from Manhattan, as well as on Staten Island. Public transportation is accessible, minutes away from the city.

The mission of Professional Gynecological Services is to treat each woman as a whole person, addressing her physical and emotional needs while at our New York Abortion Clinic so that she can make informed health care decisions, provided with safety and discretion. The staff can answer all your questions regarding abortion procedures and information on the abortion pill (RU486) versus the morning after pill.

Featured Services & Procedures

PERMANENT BIRTH CONTROL

The Essure inserts are passed through the body's natural pathways. Unlike other forms of permanent birth control, there is no surgery.

ENDOMETRIAL ABLATION

If you are experiencing heavy menstrual periods that are keeping you from enjoying life to the fullest, learn more about this 90-second treatment.

HYSTEROSCOPIC MYOMECTOMY

MyoSure Fibroid and Polyp Removal Procedure is a safe and easy method of removing any submucosal fibroids and polyps without cutting the uterus.

STD TESTING & TREATMENT

If you suspect that you've been exposed to an STD or are experiencing symptoms, schedule an appointment online or call 718.875.4848.

VAGINOPLASTY

This procedure is also called Labiaplasty. Using laser and surgical construction, this procedure is performed in approximately 30 minutes under general anesthesia.
