THE PRODUCT.

‘ We put high regard and value on these trees by turning them in to pieces of enduring art instead of leaving them out to decay.

STARWOOD offer a variety of custom options including size, choice of wood species, edge styles and base designs. If you choose, STARWOOD can create PIECE for you based on your specifications, or you may choose your own top from a featured group with interesting and unique characteristics. The featured FURNITURE PIECE allow you to personally select your finish and other custom options.

We produce the best indoor, outdoor furniture for Home, Resort, Hotels and Office. Also specialised in making of Wooden Houses, Gazebos, Door, windows, Flooring and Decking.

All items are available in Teakwood, Mahagony, Oak, Rose wood, wicker, stainless steel and rattan. The raw materials, especially for wooden furniture, are selected base on its moisture content. They constructed with floating joints, it made our products' durable.

The Wooden House

www.starwood-furniture.com

We are experienced in manufacturing Wooden House or Gazebo House in whatever size you want. Our team have an experience in wooden Houses manufacturing. We can manufacture your prefab of wooden house in the choice of Merbau, Bangkirai or Teak wood, depending on your choice. All sizes are welcome simply let us know how would you like us to build your wooden house, i.e. the kind of wood to be used, the size, roof used i.e. shingles or grass, shape, and we would be more than happy to draw your wooden house in auto cad software for you to decide should we go ahead and start manufacturing. Your gazebo house should be ready in 30 to a maximum of 90 days

THE PROJECTS.

@MALDIVES

we delivered
a lots of major projects
across the world...

Over the years, Starwood Furniture have worked with numerous hotels, restaurants and others in the hospitality sector to design and manufacture furniture that fits their purpose. Our regular clients choose us due to our efficiency in manufacturing and delivering cost-effective and commercial-grade furniture with large customisation options. Our clients include:

Our projects says our stories :)

We are represented in major star hotels and resorts worldwide. Further to that we have worked with most major procurement groups and some of the finest design firms worldwide. The experience gained from these encounters has helped to shape and improve our capabilities and the quality of our service.

In addition to supplying star hotels, we have several smaller projects, mostly owner operated, to which we have also offered our design services creating original styles for them.
