The banner features the Aqua Solar Cleaners logo in the top left corner. In the top right, there are social media icons for Facebook, WhatsApp, Twitter, and Pinterest. The background shows a worker in a hard hat and safety vest cleaning a solar panel. The text in the center reads "SUMMER CLEANING SPECIAL" in large, bold, blue letters, followed by "GET \$50 OFF" in yellow and blue. Below this is a blue button with white text that says "SOLAR PANEL CLEANING", and an orange button with white text that says "BOOK NOW". At the bottom, a dark blue bar contains the text "Visit our website : [www.aquasolarcleaners.com](http://www.aquasolarcleaners.com) | Get in Touch : 408-858-5607".

#### Why solar panel cleaning is important?

It is very important to clean your solar panels. Dirt on the solar panels prevents the entry of light. Moreover, solar panels are made to work by allowing light enters solar cells. Bird poop, dust or pollen prevent the light from reaching the solar cells which eventually leads to less energy production.

### WHY SOLAR PANEL CLEANING IS IMPORTANT?

*It is very important to clean your solar panels.  
Dirt on the solar panels prevents the entry of light.  
Moreover, solar panels are made of work of  
allowing light to enter the solar cells.*
