

Łódź is a cultural phenomenon, mirror of industrial history and a fascinating place inhabited by distinguished artists, scientists and industrialists. A city of the multicultural heritage of Poles, Germans, Jews and Russians. This city is called a place of contrasts.

Look and try to understand at this amazing combination with us! Polonus School offers a cultural program to give you a better understanding and appreciation of Polish culture and Lodz's soul. Here are some examples of activities available:

- walks to discover historical and picturesque areas of Łódź: You may visit areas such as Księży Młyn, Piotrkowska Street (the most elegant street of Lodz, the only street in Poland you can see in Google street view), Manufaktura (Culture-Trade-Entertainment Centre full of history, Polish cuisine and entertainment), world-famous Modern Art Museum (Muzeum Sztuki Współczesnej), the Lodz Film School (Łódzka Szkoła Filmowa), Lodz Ghetto, The Archdiocese of Łódź, Old cemetery in Łódź, recommendations on outings to the cinema, the theatre, concerts or the opera with a guide or with a discovery questionnaire especially designed by our team of teachers. Guided tours of the world famous museums of Łódź and selected Parks of Łódź (connected with a funfair, sunbathing and barbecue in one of them).

There are many activities available and they are displayed throughout the school including concerts, theatres, etc. Just check them out and enjoy your time in Łódź! We are waiting for you!
